

PROMO EXPO TEAM BRAND

There is STRENGTH in numbers!

New Ontario, GTA Multi-Supplier Promotional Products Showroom; for both distributors and clients! Promo Expo Team Brand has combined forces making it an innovator in the Ontario Promotional Products market. Since PRG Multi-Line and Prestige Glass began a partnership that now includes Jessie Camani, Swedatron/PSL, Linda Davies, Texserv Sales and Marketing and Sally Ross Agency, the power of the Promo Expo Team Brand is more comprehensive and varied than ever before.

With the help of these new brands, Promo Expo can provide distributors access to a larger group of product lines that cover every area of the industry.

Our philosophy is "Let's work together, as a team, to get your client the solution they need." We are able to co-ordinate cross selling amongst our supplier brands therefore we are able to offer greater product choice and selection for each sales request. With this access to brands under one umbrella, it no longer matters whose line we are sourcing — this widens the scope of solutions for your client dramatically.

Promo Expo is dedicated to creating a great experience for our clients. At our Open House BBQ we launched our Promo Expo Team Brand and we continue to expand: our showroom provides a plethora of

product ideas to peruse; our extensive lending library provides access to samples to use in client presentations and meetings. Finally, we have beautiful, oft-liked meeting space available for your presentations to your client.

The most recent addition to the Promo Expo Showroom and Team brand is our Industry Media Centre. Media related marketing materials and literature is at your fingertips. Not to mention access to association membership applications and respective benefits including publications such as marketing edge magazine, Imprint Canada, and PPPC publications such as Promo Expert, Promo Vantage, and Idea book. There's also ASI membership information and publications, as well as CPSA membership and the Contact Magazine. The Industry Media Centre is an educational industry resource tool at your disposal — use it to better serve your clients.

And keep an eye out for The Promo Expo Brand Team, affectionately known as the Expo Road crew, as they arrive in the Promo Expo Jeep. They can jazz up any industry event. In fact, they have so successfully launched the Promo Expo Team Brand that they are entered to win Multi-Line Agency Self Promoters of the Year.
